MEMORANDUM FOR: Director of Logistics

SUBJECT : Letter of Appreciation

For the past nine months the Archives and Records Center has been in the process of moving more than 19,000 cu. ft. of classified records to the CIA space in the Washington National Records Center at Suitland, Maryland. In the course of this move, it was necessary to call on the Office of Logistics for a truck and driver on 26 occasions.

On each of these occasions the cooperation of [redacted] the dispatcher, and the assigned driver was excellent. I would like to express my appreciation for this cooperation which played a large part in the complete success of this operation.
